Beware of (smearing yourselves with) urine, because it is the main cause of punishment in the grave

Abu Hurayrah (may Allah be pleased with him) reported that the Prophet (may Allah's peace and blessings be upon him) said: "Beware of (smearing yourselves with) urine, because it is the main cause of punishment in the grave."

[Authentic hadith] [Narrated by Ad-Daraqutny]

In this Hadīth, the Prophet (may Allah's peace and blessings be upon him) draws our attention to one of the most common causes of punishment in the grave. It is the habit of not keeping away or purifying oneself from urine.
