The Prophet (may Allah's peace and blessings be upon him) forbade making Istinjā’ (purification after answering the call of nature) with dung or bones

Abu Hurayrah (may Allah be pleased with him) reported: The Prophet (may Allah's peace and blessings be upon him) forbade making Istinjā’ (purification after answering the call of nature) with dung or bones, and said: "They do not purify."

[Authentic] [Narrated by Ad-Daaraqutni]

The Prophet (may Allah's peace and blessings be upon him) forbade anyone who relieves himself, whether by urinating or defecating, from using animal bones or dung and dry animal waste for cleaning, and he said: They do not remove the impurity, nor do they purify it.
