By Him in Whose hand is my soul, a time would come upon the people when the killer would not know why he killed and the victim would not know why he was killed

Abu Hurayrah (may Allah be pleased with him) reported that the Prophet (may Allah's peace and blessings be upon him) said: ''By Him in Whose hand is my soul, a time would come upon the people when the killer would not know why he killed and the victim would not know why he was killed.''

[Authentic hadith] [Narrated by Muslim]

The Prophet (may Allah's peace and blessings be upon him) swears by Allah that there will come a time when murder would be so widespread that the killer would not know the reason he killed and the killed would not know the reason he was killed for.
