Perform Witr prayer before the morning

Abu Sa‘īd al-Khudri (may Allah be pleased with him) reported that the Prophet (may Allah's peace and blessings be upon him) said: "Perform Witr prayer before the morning."

[Authentic hadith] [Narrated by Muslim]

Witr prayer is the last part of the night prayers exactly as Maghrib prayer is the last prayer performed during the daytime, so that it ends with an odd number prayer. The noble Hadīth indicates that the time period for Witr prayer is before the break of the second dawn.
