The Prophet (may Allah's peace and blessings be upon him) circumambulated the Ka‘bah in the Farewell Hajj on the back of a camel, touching the Corner with a crook.

‘Abdullāh ibn ‘Abbās (may Allah be pleased with him) reported: The Prophet (may Allah's peace and blessings be upon him) circumambulated the Kab‘ah in the Farewell Hajj on the back of a camel, touching the Corner with a crook.

[Authentic hadith] [Narrated by Bukhari & Muslim]

As the Prophet (may Allah's peace and blessings be upon him) circumambulated the Ka‘bah in his Farewell pilgrimage, people jostled to watch him doing the rites or to only see his noble face. Merciful and just, the Prophet (may Allah's peace and blessings be upon him) rode a camel so that everyone could see him. He had a hooked stick whereby he touched the Corner and then kissed the stick, as we know from the narration of Muslim.
