Straighten your rows, for indeed, straightening the row is from the perfection of the prayer

Anas ibn Mālik (may Allah be pleased with him) reported: The Messenger of Allah (may Allah's peace and blessings be upon him) said: "Straighten your rows, for indeed, straightening the row is from the perfection of the prayer."

[Authentic] [Agreed upon]

The Prophet (may Allah's peace and blessings be upon him) commands those who perform the prayer to straighten their rows, not being forward or backward from the row, and that straightening the rows is part of the completion and perfection of the prayer, whereas the crookedness of the row is a flaw and deficiency in the prayer.
