Modesty brings nothing but good

‘Imrān ibn Husayn (may Allah be pleased with him) reported that the Messenger (may Allah's peace and blessings be upon him) said: "Modesty brings nothing but good." In another narration: "All of modesty is good."

[Authentic hadith] [Narrated by Muslim - Narrated by Bukhari & Muslim]

Modesty is the kind of trait that induces humans to perform actions that beautify and adorn and to abandon actions that defile and dishonor. Hence, it brings nothing but good. The reason the Prophet (may Allah's peace and blessings be upon him) said this is because he met someone who was advising his brother against excessive modesty.
