Let not a believing man hate a believing woman. If he dislikes one of her characteristics, he will be pleased with another

Abu Hurayrah (may Allah be pleased with him) reported: The Messenger of Allah (may Allah's peace and blessings be upon him) said: "Let not a believing man hate a believing woman. If he dislikes one of her characteristics, he will be pleased with another." Or he said: "another one."

[Authentic] [Narrated by Muslim]

The Prophet (may Allah's peace and blessings be upon him) forbade a husband from hating his wife in such a way that would lead him to wrong her, abandon her, and turn away from her. Deficiency is part of man's nature, so, if he dislikes a bad characteristic in her, he will find another good one. He will, thus, be pleased with what he approves of and will patiently endure what he disapproves of the bad characteristics. This will help him remain patient without hating her in such a way that leads him to part with her.
