Is he who raises his head before the Imam not afraid that Allah may transform his head into that of a donkey or his shape into that of a donkey?

Abu Hurayrah (may Allah be pleased with him) reported that the Prophet (may Allah's peace and blessings be upon him) said: "Is he who raises his head before the Imam not afraid that Allah may transform his head into that of a donkey or his shape into that of a donkey?"

[Authentic] [Agreed upon]

The Prophet (may Allah's peace and blessings be upon him) clarifies the serious threat to the one who raises his head in prayer before his Imam, as Allah may transform his head into that of a donkey or transform his shape into that of a donkey.
