A man follows the religion (i.e. ways and manners) of his close friend. So, each of you should carefully consider whom he takes as his intimate friend

Abu Hurayrah (may Allah be pleased with him) reported: The Prophet (may Allah's peace and blessings be upon him) said: "A man follows the religion (i.e. ways and manners) of his close friend. So, each of you should carefully consider whom he takes as his intimate friend."

[Hasan] [Narrated by Abu Dāwūd, At-Tirmidhi, and Ahmad]

The Prophet (may Allah's peace and blessings be upon him) pointed out that a person resembles his close friend and companion in his ways and habits, and friendship affects morals, manners, and behaviors. Therefore, he instructed us to choose our friends carefully, as a friend guides his friend to Imān (faith), guidance, and goodness, and helps him in this regard.
