The one who looks after a widow or a needy person is like one who performs Jihad in the cause of Allah, or one who regularly observes voluntary prayer at night and fasting during the day

Abu Hurayrah reported that the Prophet (may Allah's peace and blessings be upon him) said: "The one who looks after a widow or a needy person is like one who performs Jihad in the cause of Allah, or one who regularly observes voluntary prayer at night and fasting during the day."

[Authentic] [Agreed upon]

The Prophet (may Allah's peace and blessings be upon him) informs us that the one who tends to the needs of a woman whose husband has died and has none to look after her or the needy person, and provides for them seeking the reward from Allah Almighty will have the same reward as the one who fights in the cause of Allah, or the one who performs the voluntary night prayer and never gets tired, and the one who always fasts incessantly.
