If you wish, be patient and you will enter Paradise; or, if you wish, I will supplicate Allah to cure you

Ibn ‘Abbās (may Allah be pleased with him and his father) reported that he said to ‘Atā’ ibn Abi Rabāh: Shall I show you a woman of the people of Paradise? ‘Atā’ said: Yes. He said: This black woman came to the Prophet (may Allah's peace and blessings be upon him) and said: I suffer from epilepsy and, as a result, my body becomes uncovered. So supplicate Allah for me. He said: "If you wish, be patient and you will enter Paradise; or, if you wish, I will supplicate Allah to cure you." She said: I will remain patient. She then said: But I become uncovered, so invoke Allah that I do not become uncovered. So he supplicated for her.

[Authentic] [Agreed upon]

Ibn ‘Abbās (may Allah be pleased with him and his father) said to ‘Atā’ ibn Abi Rabāh: Shall I show you a woman of the people of Paradise? ‘Atā’ said: Yes. He said: This black Abyssinian woman came to the Prophet (may Allah's peace and blessings be upon him) and said: I suffer from an illness that causes me to have seizures, and I become uncovered, revealing parts of my body without my awareness. So supplicate Allah to heal me. He (the Prophet) said: If you wish, be patient and you will enter Paradise, or, if you wish, I will supplicate Allah to cure you. She said: I will remain patient, then she said: Supplicate Allah that I do not become uncovered if I have a seizure, and he supplicated Allah for her.
