The nearest the Lord to a servant is in the course of the last part of the night

Abu ’Umāmah reported: ‘Amr ibn ‘Abasah (may Allah be pleased with him) related to me that he heard the Prophet (may Allah's peace and blessings be upon him) say: "The nearest the Lord to a servant is in the course of the last part of the night. So, if you are able to be among those who remember Allah at that hour, do so."

[Authentic] [Narrated by Abu Dāwūd, At-Tirmidhi, and An-Nasā’i]

The Prophet (may Allah's peace and blessings be upon him) informs that the Almighty Lord becomes closest to the servant in the last third of the night. So, if you, O believer, find the success and ability to be among those who worship, pray, remember, and repent at this time, indeed it is something that should be seized and diligently achieved.
