Had it not been that I might overburden the believers—or my Ummah—I would have commanded them to use the Siwāk (toothstick) at every prayer

Abu Hurayrah (may Allah be pleased with him) reported that the Prophet (may Allah's peace and blessings be upon him) said: "Had it not been that I might overburden the believers—or my Ummah—I would have commanded them to use the Siwāk (toothstick) at every prayer."

[Authentic] [Agreed upon]

The Prophet (may Allah's peace and blessings be upon him) informed that if he had not been afraid of making things hard for the believers in his Ummah, he would have made it obligatory upon them to use the Siwāk with every prayer.
