The Kursi (footstool) in comparison to the Throne is only like an iron ring thrown in a desert on earth

Abu Dharr al-Ghifāri (may Allah be pleased with him) reported that the Prophet (may Allah's peace and blessings be upon him) said: "The Kursi in comparison to the Throne is only like an iron ring thrown in a desert on earth."

[Authentic hadith] [Ibn Abi Shaybah in Al-‘Arsh - Adh-Dhahabi in Al-‘Uluww]

The Prophet (may Allah's peace and blessings be upon him) here says that the Kursi, despite its hugeness, is in comparison to the Throne like an iron ring thrown in a boundless desert on earth. This indicates the greatness and absolute power of its Creator.
