The Prophet (may Allah's peace and blessings be upon him) said about the Ansār (Supporters): "No one loves them except a believer, and no one hates them except a hypocrite. Allah loves whoever loves them and hates whoever hates them

Al-Barā’ (may Allah be pleased with him) reported: The Prophet (may Allah's peace and blessings be upon him) said about the Ansār (Supporters): "No one loves them except a believer, and no one hates them except a hypocrite. Allah loves whoever loves them and hates whoever hates them."

[Authentic] [Agreed upon]

The Prophet (may Allah's peace and blessings be upon him) informed that having love for the Ansār from among the people of Madīnah is a sign of perfect faith given their precedence in supporting Islam and the Prophet (may Allah's peace and blessings be upon him), their keenness on sheltering Muslims, and their sacrifice of their properties and lives in the cause of Allah; and hating them is a sign of hypocrisy. The Prophet (may Allah's peace and blessings be upon him) then clarified that Allah loves whoever loves the Ansār and hates whoever hates them.
