Make haste to perform the Witr prayer before the morning

Ibn ‘Umar (may Allah be pleased with him) reported that the Prophet (may Allah's peace and blessings be upon him) said: "Make haste to perform the Witr prayer before the morning."

[Authentic hadith] [Narrated by Muslim]

The Hadīth indicates the recommendation to delay the Witr prayer until the last part of the night. However, the one who delays his Witr prayer to the last part of the night should be cautious to perform it before dawn. The time for voluntary night prayer ends with the break of dawn, so, if dawn broke before he prays Witr, then he misses the virtue of this prayer.
