The best of companions in the sight of Allah, the Almighty, is the best of them to his companion, and the best of neighbors in the sight of Allah, the Almighty, is the best of them to his neighbor

‘Abdullāh ibn ‘Amr (may Allah be pleased with him) reported that the Messenger of Allah (may Allah's peace and blessings be upon him) said: "The best of companions in the sight of Allah, the Almighty, is the best of them to his companion, and the best of neighbors in the sight of Allah, the Almighty, is the best of them to his neighbor."

[Authentic hadith] [Narrated by At-Termedhy - Narrated by Ahmad - Ad-Daarimi]

The best companion in Allah's sight in terms of rank and reward is the one who is the most beneficial to his companion. Similarly, the best neighbor in Allah's sight is the one who is the most beneficial to his neighbor.
