Al-Mufarridūn have gone far ahead

Abu Hurayrah (may Allah be pleased with him) reported: The Messenger of Allah (may Allah's peace and blessings be upon him) was walking on the path of Makkah, and he passed by a mountain called Jumdān, so he said: "Proceed, this is Jumdān. Al-Mufarridūn have gone far ahead." They said: O Messenger of Allah, what is Al-Mufarridūn? He said: "Those men and women who remember Allah frequently."

[Authentic] [Narrated by Muslim]

The Prophet (may Allah's peace and blessings be upon him) highlighted the status of those who remember Allah frequently and how they are unique and far ahead of others given their highest ranks in the Gardens of Pleasure. He likened them to Mount Jumdān, which stands alone apart from other mountains.
