No son can repay the kindness of his father unless he finds him a slave and buys him and emancipates him

Abu Hurayrah (may Allah be pleased with him) reported that the Prophet (may Allah's peace and blessings be upon him) said: "No son can repay the kindness of his father unless he finds him a slave and buys him and emancipates him."

[Authentic hadith] [Narrated by Muslim]

The son can never repay his father for all the good he has done or fulfill all the rights his father has over him, except if the father was a slave and the son emancipated him by buying him (from his master) and setting him free.
