A huge fat man will come on the Day of Judgment weighing less than a mosquito wing in the sight of Allah

Abu Hurayrah (may Allah be pleased with him) reported that the Messenger of Allah (may Allah's peace and blessings be upon him) said: "A huge fat man will come on the Day of Judgment weighing less than a mosquito wing in the sight of Allah."

[Authentic hadith] [Narrated by Bukhari & Muslim]

On the Day of Judgment, the huge bulky man who is proud in this world and behaves arrogantly and tyrannically in his words and actions will not be worth the weight of a mosquito wing in the sight of Allah, nor will he have any value or credit.
