Indeed, this world is cursed, and everything in it is cursed, except for the remembrance of Allah, what aligns with it, and a scholar or a knowledge seeker

Abu Hurayrah (may Allah be pleased with him) reported: I heard the Messenger of Allah (may Allah's peace and blessings be upon him) say: "Indeed, this world is cursed, and everything in it is cursed, except for the remembrance of Allah, what aligns with it, and a scholar or a knowledge seeker."

[Hasan] [Narrated by At-Tirmidhi and Ibn Mājah]

The Prophet (may Allah's peace and blessings be upon him) informed that the world and everything in it are detested by Allah, deemed blameworthy, forsaken, distanced, and whatever is in it is forsaken and not to be praised. This is because the world and everything in it distracts from Allah Almighty and leads away from Him, except for the remembrance of Allah and what aligns with and resembles it, which Allah loves, or a scholar well versed in religious knowledge who teaches it to people, or a knowledge seeker seeking such knowledge.
