This fire is your enemy, so put it out before going to bed

Abu Mūsa al-Ashʻari (may Allah be pleased with him) reported: One night, a house in Madīnah was burnt with its inhabitants inside. When this was reported to the Messenger of Allah (may Allah's peace and blessings be upon him) he said: “This fire is your enemy, so put it out before going to bed."

[Authentic hadith] [Narrated by Bukhari & Muslim]

A house in Madīnah was burnt one night, and the Prophet (may Allah's peace and blessings be upon him) heard about it. So, he informed people that this fire is their enemy if they do not take precautions against its flames and burning effect. Then, he ordered them to put it out before sleeping so as to avoid its outbreak.
