The deeds of my Ummah, the good and the bad thereof, were presented to me. I found the removal of harm from the road among their good deeds, and the spittle in a mosque that was not buried among their bad deeds

Abu Dharr (may Allah be pleased with him) reported that the Prophet (may Allah's peace and blessings be upon him) said: "The deeds of my Ummah, the good and the bad thereof, were presented to me. I found the removal of harm from the road among their good deeds, and the spittle in a mosque that was not buried among their bad deeds."
[Authentic hadith] [Narrated by Muslim]

Allah, Glorified and Exalted, presented the deeds of all Muslims to our Prophet (may Allah's peace and blessings be upon him) and he found the removal of harmful things from the road among the good deeds, and spitting in the mosque and not removing the spit by burying it or by any other way is among the bad deeds.
