Command your children to pray when they are seven years old, and beat them for (not offering) it when they are ten, and separate them (boys and girls) in beds

‘Amr ibn Shu‘ayb reported from his father on the authority of his grandfather that the Messenger of Allah (may Allah's peace and blessings be upon him) said: "Command your children to pray when they are seven years old, and beat them for (not offering) it when they are ten, and separate them (boys and girls) in beds."

[Hasan] [Narrated by Abu Dāwūd]

The Prophet (may Allah's peace and blessings be upon him) clarified that the father should command his children - boys and girls - to pray when they are seven years old, and he should teach them what they need to establish prayer. On reaching ten, he should add the beating if they show negligence in observing the prayer. Moreover, he should separate them in beds.
