Do not initiate the greeting of peace to the Jews or Christians, and if you meet one of them on the way, force him to narrowest part thereof

Abu Hurayrah (may Allah be pleased with him) reported that the Messenger of Allah (may Allah's peace and blessings be upon him) said: "Do not initiate the greeting of peace to the Jews or Christians, and if you meet one of them on the way, force him to narrowest part thereof."

[Authentic] [Narrated by Muslim]

The Prophet (may Allah's peace and blessings be upon him) forbids initiating the greeting of peace to the Jews or Christians even if they are Dhimmis (free non-Muslim subjects living in a Muslim country), let alone others from the disbelievers. He (may Allah's peace and blessings be upon him) further explained that if we meet one of them on the road, we should force him to the narrowest part thereof, as the believer is the one entitled to walk in the middle of the road and the disbeliever is the one who should make way. A Muslim should in no way be abject.
