People will rise from their graves and stand before the Lord of the Worlds. Some of them will get submerged in their perspiration up to the middle of their ears

‘Abdullāh ibn ‘Umar (may Allah be pleased with him) reported that the Messenger of Allah (may Allah's peace and blessings be upon him) said: “People will rise from their graves and stand before the Lord of the Worlds. Some of them will get submerged in their perspiration up to the middle of their ears.”

[Authentic hadith] [Narrated by Bukhari & Muslim]

People will rise from their graves on the Day of Resurrection and stand before Allah, the Lord of the Worlds, so that He will recompense them. Some of them will stand with their own perspiration reaching up to the middle of their ears.
