There are two words that are light on the tongue, heavy on the scale, and dear to the Most Merciful

Abu Hurayrah (may Allah be pleased with him) reported: The Prophet (may Allah's peace and blessings be upon him) said: "There are two words that are light on the tongue, heavy on the scale, and dear to the Most Merciful: subhān Allah al-ʻazhīm (glory be to Allah, the Majestic), subhān Allah wa bihamdih (glory and praise be to Allah)."

[Authentic] [Agreed upon]

The Prophet (may Allah's peace and blessings be upon him) told about two words that the tongue utters without effort and in any condition, they bring great reward when weighed on the scale, and the Most Merciful Lord loves them: Glory be to Allah, the Majestic; glory and praise be to Allah. This is because these two words contain attributes of greatness and perfection of Allah Almighty and exalting Him far above defects and imperfections.
