If a man calls his wife to fulfill his desire, she should come to him even if she is busy with the oven

Abu ‘Ali Talq ibn ‘Ali (may Allah be pleased with him) narrated that the Messenger of Allah (may Allah's peace and blessings be upon him) said: "If a man calls his wife to fulfill his desire, she should come to him even if she is busy with the oven."
[Authentic hadith] [Narrated by At-Termedhy]

When a man calls his wife to fulfill his sexual desire, she should immediately respond to him, even if she is busy doing something that none but her can do, such as baking or cooking.
