Verily, Allah gives respite to the oppressor, but when He seizes him, He does not release him

Abu Mūsa (may Allah be pleased with him) reported: The Messenger of Allah (may Allah's peace and blessings be upon him) said: "Verily, Allah gives respite to the oppressor, but when He seizes him, He does not release him." Then, he recited: {Such is the seizing of your Lord when He seizes the towns that are given to wrongdoing; His seizing is surely painful and severe.} [Surat Hūd: 102]"

[Authentic] [Agreed upon]

The Prophet (may Allah's peace and blessings be upon him) warns against persistent wrongdoing by committing sins, polytheism, and injustice to people about their rights, for indeed Allah Almighty gives respite to the oppressor and endows him with a long lifetime and abundant wealth and does not hasten to punish him. But, if he does not repent, He seizes him and does not release him due to his persistent wrongdoing. Then, he (may Allah's peace and blessings be upon him) recited: {Such is the seizing of your Lord when He seizes the towns that are given to wrongdoing; His seizing is surely painful and severe.} [Surat Hūd: 102]
