[Authentic hadith] [Narrated by Bukhari]

In this Hadīth, Ibn ‘Abbās (may Allah be pleased with him) reported that the Prophet (may Allah's peace and blessings be upon him) supplicated against the effeminate men (who imitate the appearance and manners of women) and the masculine women (who imitate the appearance and manners of men). He supplicated Allah to curse them and expel them from His mercy, because their behavior is an alteration of the creation of Allah, the Almighty. He then ordered Muslims to get them out of their homes and towns to ward off their evil and to maintain the purity and chastity of the Muslim households.
