I am not leaving behind a more harmful trial for men than women

’Usāmah ibn Zayd (may Allah be pleased with him) reported: The Prophet (may Allah’s peace and blessings be upon him) said: "I am not leaving behind a more harmful trial for men than women."

[Authentic] [Agreed upon]

The Prophet (may Allah's peace and blessings be upon him) informs that he did not leave behind a more harmful trial and test for men than women. In the case of a man's wife, he may follow her in things contrary to the Shariah, and in the case of an unrelated woman, he may associate with her and meet her privately, which leads to evil consequences.
