On the Day of Resurrection, there will be three categories of people whom Allah will not speak to, purify, or look at

Abu Hurayrah (may Allah be pleased with him) reported that the Prophet (may Allah's peace and blessings be upon him) said: “On the Day of Resurrection, there will be three categories of people whom Allah will not speak to, purify, or look at, and they will receive a painful punishment. These are: an aged man who commits adultery, a king who often lies, and a destitute person who is arrogant.”

[Authentic hadith] [Narrated by Muslim]

There are three categories of people that Allah will not speak to on the Day of Resurrection, nor will He look at or purify from their sins, and they will receive a painful torment. These are: an aged man who commits adultery, a ruler who lies, and a poor person who is arrogant and looks down on others.
