There are two things in people that are signs of disbelief: defaming lineages and wailing over the dead

Abu Hurayrah (may Allah be pleased with him) reported: The Messenger of Allah (may Allah's peace and blessings be upon him) said: "There are two things in people that are signs of disbelief: defaming lineages and wailing over the dead."

[Authentic] [Narrated by Muslim]

The Prophet (may Allah's peace and blessings be upon him) informs of two traits in people that are from the disbelievers' practices and from the morals of Jāhiliyyah (the pre-Islamic era of ignorance), which are: First: Defaming people's lineages, belittling them, and treating them arrogantly. Second: Raising the voice when a calamity strikes by way of expressing resentment at the divine decree or tearing clothes out of extreme discontent.
