The expiation for a vow is the same as the expiation for an oath

‘Uqbah ibn ‘Āmir (may Allah be pleased with him) reported that the Messenger of Allah (ﷺ) said: "The expiation for a vow is the same as the expiation for an oath."

[Authentic] [Narrated by Muslim]

The Prophet (ﷺ) clarified that the expiation for an unspecified vow—when a person makes a vow without defining what it is for—is the same as the expiation for breaking an oath.
