Satan comes to one of you and says, 'Who created such and such, and who created such and such', until he says: 'Who created your Lord?' If a person experiences this, he should seek refuge with Allah and desist from that

Abu Hurayrah (may Allah be pleased with him) reported: The Messenger of Allah (may Allah's peace and blessings be upon him) said: "Satan comes to one of you and says, 'Who created such and such, and who created such and such', until he says: 'Who created your Lord?' If a person experiences this, he should seek refuge with Allah and desist from that."

[Authentic] [Agreed upon]

The Messenger of Allah (may Allah’s peace and blessings be upon him) mentions the effective remedy for the questions whispered by Satan to the believer. Satan says: Who created such and such, and who created such and such? Who created the heavens? Who created the earth? Based on his religion, natural disposition, and reason, the believer replies: Allah. But Satan does not stop at this limit of whisperings; rather, he proceeds until he asks: Who created your Lord? Thereupon, the believer should repel these whisperings with three things: Belief in Allah. Seeking refuge with Allah from Satan. Stopping to continue with such whisperings.
