Everything is decreed, even incapacity and capacity, or capacity and incapacity

Tāwūs reported: I found some of the Prophet's Companions say: "Everything is decreed." I heard ‘Abdullah ibn ‘Umar say: The Messenger of Allah (may Allah’s peace and blessings be upon him) said: "Everything is decreed, even incapacity and capacity, or capacity and incapacity."

[Authentic] [Narrated by Muslim]

The Prophet (may Allah's peace and blessings be upon him) pointed out that everything is decreed, even incapacity, which is failure to do what should be done - in matters of this world and the Hereafter - and procrastinating and delaying it beyond its due time; and even capacity, which is vigor and proficiency in matters of worldly life and the Hereafter; and that Allah Almighty had predestined capacity and incapacity, and everything that happens in the universe had already been known and willed by Allah.
