Would any one of you like to find three large, fat, pregnant she-camels when he returns to his family?

Abu Hurayrah (may Allah be pleased with him) reported: The Messenger of Allah (may Allah's peace and blessings be upon him) said: "Would any one of you like to find three large, fat, pregnant she-camels when he returns to his family?" We said: 'Yes.' He said: "Three verses that one of you recites in his prayer are better for him than three large, fat, pregnant she-camels."

[Authentic] [Narrated by Muslim]

The Prophet (may Allah's peace and blessings be upon him) points out that the reward for reciting three verses during the prayer is better for a person than finding three large, fat, pregnant she-camels in his house.
