The Prophet (may Allah’s peace and blessings be upon him) performed ablution by washing the body parts twice

‘Abdullāh ibn Zayd (may Allah be pleased with him) reported: The Prophet (may Allah’s peace and blessings be upon him) performed ablution by washing the body parts twice.
[Authentic] [Narrated by Al-Bukhāri]

When the Prophet (may Allah's peace and blessings be upon him) performed ablution, he would sometimes wash each body part of the parts of ablution once - washing the face - including rinsing the mouth and sniffing water into the nostrils - and the hands and feet twice.
