When the Iqāmah (second call) for prayer is pronounced, no prayer is to be offered but the obligatory one

Abu Hurayrah (may Allah be pleased with him) reported that the Prophet (ﷺ) said: "When the Iqāmah (second call) for prayer is pronounced, no prayer is to be offered but the obligatory one."

[Authentic] [Narrated by Muslim]

The Prophet (ﷺ) prohibited anyone who is in the mosque from beginning a voluntary prayer after the Iqāmah has been pronounced for the obligatory prayer.
