Whoever abandons three Fridays out of negligence, Allah seals his heart

Abu al-Ja‘d ad-Damri (may Allah be pleased with him), who had a companionship with the Prophet, reported that the Messenger of Allah (may Allah's peace and blessings be upon him) said: "Whoever abandons three Fridays out of negligence, Allah seals his heart."

[Authentic] [Narrated by Abu Dāwūd, At-Tirmidhi, An-Nasā’i, Ibn Mājah, and Ahmad]

The Prophet (may Allah's peace and blessings be upon him) warned against abandoning the Friday prayer, pointing out that whoever abandons the Friday prayer three times out of slackness and negligence without a valid excuse, Allah seals and covers his heart by preventing goodness from reaching it.
