Allah Almighty said: The son of Adam hurts Me by cursing time, while I am time. The matter is in My Hands, I alternate the night and the day

Abu Hurayrah (may Allah be pleased with him) reported: The Messenger of Allah (may Allah's peace and blessings be upon him) said: "Allah Almighty said: The son of Adam hurts Me by cursing time, while I am time. The matter is in My Hands, I alternate the night and the day."

[Authentic] [Agreed upon]

The Prophet (may Allah's peace and blessings be upon him) informed that Allah Almighty says in the Qudsi Hadīth: The human being hurts Me and belittles Me when he curses and blames time during the times of calamities and hardships, for it is Allah Almighty alone Who controls and governs everything that happens. Therefore, cursing time is, in reality, cursing Allah Almighty, as time is a subjugated created entity in which events occur by the command of Allah.
