Beware of negnot washing your heels properly, for not doing so can lead to them being burnt in the Hellfire! So, perform your ablution thoroughly

‘Abdullāh ibn ‘Amr (may Allah be pleased with him) reported: We returned with the Messenger of Allah (may Allah's peace and blessings be upon him) from Makkah to Madīnah, and when we came to some water on the way, some of the people were in a hurry at the time of the ‘Asr prayer and performed ablution hurriedly; and when we reached them, their heels were dry, and no water had touched them. Thereupon, the Messenger of Allah (may Allah's peace and blessings be upon him) said: "Beware of negnot washing your heels properly, for not doing so can lead to them being burnt in the Hellfire! So, perform your ablution thoroughly."

[Authentic] [Agreed upon]

The Prophet (may Allah's peace and blessings be upon him) traveled from Makkah to Madīnah with his Companions, and on their way they found water. Some of the Companions hurried to perform ablution for the ‘Asr prayer, so much so that the backs of their feet appeared to the observer to be dry. So, the Prophet (may Allah's peace and blessings be upon him) said: There will be punishment and destruction in Hellfire for those who fail to wash the backs of their feet during ablution. He ordered them to perform ablution perfectly.
