I was one of seven sons of Muqarrin, and we had only one female servant. The youngest of us slapped her in the face, so the Messenger of Allah (may Allah’s peace and blessings be upon him) commanded us to set her free

Abu ‘Ali Suwayd ibn Muqarrin (may Allah be pleased with him) reported: I was one of seven sons of Muqarrin, and we had only one female servant. The youngest of us slapped her in the face, so the Messenger of Allah (may Allah’s peace and blessings be upon him) commanded us to set her free. Another narration reads: "I was one of seven siblings."

[Authentic hadith] [Narrated by Muslim]

Suwayd ibn Muqarrin reports that he was one of seven siblings of the sons of Muqarrin, all of whom were Companions from the Muhajirūn, and no one resembled them in this number. There was no one to serve all seven but a single slave girl. The youngest of them slapped her on the cheek, so the Messenger of Allah (may Allah’s peace and blessings be upon him) ordered them to set her free from slavery so that her manumission would be an expiation for having slapped her.
